

How-To-Guide To Home-Delivered Meals from GA Foods

GA Foods only provides meals through Medicare Advantage and Medicaid managed care organizations, agencies, and government programs.

Delicious home-delivered meals give your body the nutrients it needs to remain healthy. They also allow you to continue to live independently in your home and help to support your recovery after a hospitalization. These meals make it easier to manage chronic diseases.

Find out if you are eligible for meals delivered to your home!

- If you currently receive Medicaid benefits and have an assigned service coordinator or case manager, you may already be eligible! Contact your case manager to find if you can receive home-delivered meals.

- Many Medicare Advantage health plans and hospitals provide post-discharge meals after a hospitalization. Check with your health plan or hospital before you go home to see if you can receive home-delivered meals.

- Contact your Area Agency on Aging to learn more about a home-delivered meals program in your area. To locate your AAA agency, call the Eldercare Locator at 1-800-677-1116 or visit Eldercare.acl.gov

- If you are eligible, ask for GA Foods as your meals provider. We can have the meals shipped directly to your door!
